Understanding Food-Related Hardships among Older Americans

ADDENDUM—Indirect Cost Recovery

This is an addendum to the RFP on Understanding Food-Related Hardships among Older Americans released on November 14, 2018.

Applicants **are allowed** to budget for indirect cost (F&A) recovery up to their institution's federally negotiated indirect cost rate. This is applicable for both small grants and large grants.

The budget ceiling of \$50,000 for small grants, and either \$250,000 or \$500,000 for large grants, **is inclusive of indirect cost.**
